NOTE: The weighting placement of the javelin was altered in 2002 by national rule. Beginning in 2002, the National Federation of High Schools (NFHS) recognized throws using the newly weighted javelin as record throws. As a result, the 219-4 by Wilson's Scott Hagy in 1966 (3A) and the 238-1 by Cocalico's Troy Burkholder in 1995 (2A) stand as retired records under the previous weighting standard. The total weight of the javelin was not changed by the 2002 weight placement change.
