NOTES: The class designations for District III track and field were historically known as follows:

Class A was the largest class from 1925 through 1975. It was changed to Class AAA in 1976, then to Class 3A in 2017.

Class B was the smallest class from 1929 through 1941. The Class C team championships were added in 1942 through 1970. However, Class C teams were mingled with Class B teams in each event, but were scored separately. Class C team championships were halted following the 1970 season. There have been two classes from 1971 to the present.

As a matter of consistency, Class AAA / A is designated as Class 3A, Class AA / B is designated as Class 2A and Class C is designated as Class 1A throughout this listing in accordance with PIAA policy.
