DISTRICT 3 BOYS GOLF CHAMPIONSHIPS (1938-2023) INDIVIDUAL CHAMPIONS, RECORDS

PIAA QUALIFIERS BY SCHOOL

Note: From 1936 through 2005, District III golfers qualified for the PIAA Championships directly through their placement at the District III Championships. Beginning in 2006, golfers qualified to states by place at the PIAA East Region Tournament, a one-day, 18-hole qualifier held annually at Golden Oaks Golf Club near Fleetwood. This list of qualifiers reflects that process. Note: The Region Tournament was not conducted in 2020-2021 and 2021-2022 due to coronavirus concerns and has since been discontinued. District 3 golfers now qualify directly to states. The top 18 Class 3A finishers and the top 8 Class 2A finishers have advanced to states in 2023.
