## DISTRICT III BOYS BASKETBALL CHAMPIONSHIP GAME RESULTS BY YEAR

### 1930-1931

**CLASS 3A:** Steelton (declared as Central Penn League champion)

**1930-1931 note:** The Class B playoffs were eliminated, a decision that remained in place until the 1939-1940 school year. No basketball playoff games were conducted in 1931.

### 1929-1930

**CLASS 3A:** John Harris (declared; see note)

**CLASS 2A:** Ephrata 35, Birdsboro 25

**1929-1930 note:** Reading won a 4-team Central Penn League playoff to claim the CPL. However, a new rule instituted on Feb. 6, one day before the start of the second half of CPL schedule, gave the team with the best record in the second an opportunity to challenge for the district championship and PIAA playoff this. That happened: John Harris had the best record in the second half including a win over Reading, but did not finish in the CPL's top four teams overall - it finished fifth - and was not a part of the four-team CPL playoff between Reading, Gettysburg, Steelton and Lancaster. Reading did not wish to play the fifth-place team in a playoff and claimed it was entitled to the District 3 championship by virtue of its CPL title, but District 3 enforced the rule and ordered a game between Reading and John Harris. When Reading stood its ground and refused to play John Harris, District 3 declared John Harris the District 3 champion and PIAA Championship representative.

### 1928-1929

**CLASS 3A:** Reading (declared; see note)

**CLASS 2A:** Manor 40, Robesonia 39

**1928-1929 note:** Reading and Lancaster were originally scheduled to meet in a playoff to determine the District 3 championship following a meeting at which Reading was not represented. Reading rejected this format: it won the Central Penn League outright, the standard for determining the District 3 champion in some previous years. In fact, Steelton finished second in the CPL and Lancaster third. A new meeting by District 3 held on March 11 in Harrisburg determined that Reading's CPL championship entitled it to the District 3 title and state representation. The previously scheduled playoff game was canceled.

### 1927-1928

**CLASS 3A:** Williamsport 41, Reading 39 (see note)

**CLASS 2A:** Camp Hill (declared; see note)

**1927-1928 note:** Williamsport and Reading tied for the Central Penn League championship, so it was determined a playoff was necessary to determine the District 3 representative to the PIAA Championships. In 1928, Williamsport was a member of District 4 and Reading a member of District 1, but both schools were ineligible for their respective district championships and had to qualify through District 3. Re Class B: The District 3 Committee determined that Camp Hill would be declared the Class B champion due to its two regular-season victories over Enola, the only other Class B team that signified interest in the Class B playoffs.

### 1926-1927

**CLASS 3A:** Steelton (declared as Central Penn League champion)

**CLASS 2A:** Hershey 41, Lititz 22

### 1925-1926

**CLASS 3A:** Harrisburg Technical 53, Hershey 29

### 1924-1925

**CLASS 3A:** York 25, Lancaster 24

### 1923-1924

**CLASS 3A:** Harrisburg Technical 34, Williamsport 30 (OT2)

**1923-1924 note:** The Central Penn League champion was designated as the District 3 champion and representative to the PIAA Championships. Harrisburg Tech won the CPL outright including two league wins over Williamsport, a member of District 4 but ineligible to represent the district in states. It was determined that the winner of a third game between the two would be the District 3 representative. Given that game constituted a playoff, it is now listed as the first District 3 basketball championship game.
