

PIAA DISTRICT III BOYS VOLLEYBALL CHAMPIONSHIPS: CHRONOLOGIES 1936-1942, 1948-2019, 2021-2026 COMPLETE THROUGH THE 2025-2026 CHAMPIONSHIPS

Of note:

The District 3 Boys Volleyball Championships has used several formats since the initial championships in 1936. In many years, pool play was used to determine advancement out of either the first round or quarterfinal round. Pool play matches sometimes used different scoring formats to determine a match's outcome. For the purposes of this chronology, pool play matches will be considered full matches since a match winner and loser was determined, although advancement was determined by a team's aggregate results during pool play.

In the years of a full double-elimination format, the notation "WB final" is used to denote the winners' bracket final match. The winner of the winners' bracket final match awaited the completion of the consolation results and played the surviving team. If the winner's bracket survivor was victorious, the match was declared the "championship match." If the loser's bracket survivor defeated the winner's bracket survivor, the match is denoted as the "challenge match" and another match was played to determine the champion. In that scenario, the final match is denoted as the "championship match."

There were no matches contested in 1936, the first year District 3 conducted a boys volleyball championship. York High was the only school among the three schools invited to appear and won the title by default. ... There were no District 3 Boys Volleyball Championships from 1943 through 1947. ... The 2019-2020 District 3 Boys Volleyball Championships were canceled due to school closures during the coronavirus epidemic.

*-In 1948, the first year the District 3 Boys Volleyball Championships resumed after the World War II hiatus, only 3 teams – North York, West York and Lititz – participated in the championship. A round-robin format was used with each school playing two matches. Lititz was eliminated from championship contention; West York and North York played a third match for the championship. The round robin matches are all considered semifinal matches for the purpose of this chronology.

Please note that set scores are listed with the winner's perspective for both the winning team and the losing team in the chronology, no different than how it would appear on a bracket.

Complete results for the 1982-1983 District 3 Boys' Volleyball Championship are missing. District 3 has omitted that season from the chronology with the exception of champion Conestoga Valley and runner-up Central York, whose complete results are available. The qualifying teams are available for that year; a note has been added for each team regarding the lack of 1983 results.

The results of some game scores throughout the years are missing. An NA (not available) designation is provided in the game results.

District III gratefully acknowledges the assistance of former Central York boys volleyball head coaches Bruce Koller and Brad Livingston in compiling these records.
